**WORK EXPERIENCE**

- Dates (from – to) 2007
- Name and address of employer Technology Reply s.r.l. – Via Bogino, 23 – Torino
- Type of business or sector IT
- Occupation or position held Consultant
- Main activities and responsibilities Programmer, analyst @ SEAT Pagine Gialle S.p.A.
  
- Dates (from – to) 2005 – 2007
- Name and address of employer Concept s.r.l. – Via Tamagno, 3 – Milano
- Type of business or sector IT
- Occupation or position held Analyst, programmer
- Main activities and responsibilities Software design and implementation. Technology adoption. I've developed a questionnaire system, a fleet management and booking system (GPS enabled, mobile connected vehicles) and various webapps. I'm helping the company to improve its products quality by introducing new tools and programming techniques. Some customers: Damiani, Ing Direct, Milano Taxi, Emerson, Nordcom.
  
- Dates (from – to) 2003 – 2005
- Name and address of employer Ogilvy Interactive s.r.l. – Viale Lancetti, 29 – Milano
- Type of business or sector IT
- Occupation or position held Analyst, developer
- Main activities and responsibilities App design and implementation. I've created a clusterable, parameterizable newsletters system and various webapps. Some customers: IBM, Nestlé, Alfaromeo, Heineken.

- Dates (from – to) 2001 – 2003
- Name and address of employer SoftNTT s.r.l. – Viale Marelli 165 – Sesto San Giovanni (MI)
- Type of business or sector IT
- Occupation or position held Analyst, developer
  - Main activities and responsibilities App design and implementation. Team leader. Due to the small size of the company, I've even managed the customers. I've experienced the creation of CMSs and airline ticket selling and alerting systems. Some customers: Volare Group, Minerva Airlines, Vodafone Live (Infovoli SMS).
